**SUBJ.: *In Re: The Matter of the Application of Litasco SA for an Order to Take Discovery Pursuant to 28 USC 1782 (No. 23-MC-00354 [AS])***

Dear Judge Subramanian:

We are counsel for the Applicant, Litasco SA (“**Litasco**”), in the above-referenced miscellaneous proceeding. We submit this correspondence to provide the Court with a further status report regarding discovery sought herein pursuant to 28 U.S.C. § 1782. The Applicant’s prior status report, filed on May 6, 2024, provided that as of the date of that report, four of the seven respondents had completed their production. Of the three respondents still to produce, one respondent indicated it would produce in mid-April, and counsel for Litasco sought an update on the production status. The remaining two respondents both indicated an intent to produce in mid-May.

As of present, counsel has received production from all seven respondents. Accordingly, while the Applicant reserves all rights to seek additional discovery or further relief of any type, counsel no longer sees a reason to keep this miscellaneous proceeding open.

We thank the Court for its consideration of this matter.

Respectfully submitted,

/s/ Edward W. Floyd
